DIRECTIONS FOR USE

SITUATION	PEST	RATE	CRITICAL COMMENTS
Grain storage areas.	Moths	50mL per 100m ³	Apply regularly when pests are active. Apply undiluted through fogging or misting equipment or conventional hand operated sprayers. Spray must be finely atomised to ensure even distribution and penetration throughout the premises being treated. Keep windows and doors closed during and for at least 30 minutes after application.
Industrial food processing premises	Flies and Insect pests		
	Tobacco beetles	300mL per 100m ³	

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.

MANUFACTURERS WARRANTY AND EXCLUSION OF LIABILITY: This product as supplied is of high grade and believed to be suitable for any purpose for which it is expressly recommended and must be used in accordance with the Directions for Use given on the label. No responsibility is accepted in respect of the product save those non-excludable conditions implied by any Federal and State legislation or law of a Territory.

GENERAL INSTRUCTIONS: DO NOT apply to grain or foodstuffs. DO NOT mix with cereal grains. For grain handling authorities, only for the treatment of grain storage facilities. This product is specially formulated for use through misting or fogging equipment or conventional hand operated sprayers. Avoid contamination of food.

PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT: DO NOT contaminate streams, rivers or waterways with the chemical or used containers.

STORAGE AND DISPOSAL: Store in the closed, original container in a dry, cool, well-ventilated area out of direct sunlight. Triple or preferably pressure rinse containers before disposal. Dispose of rinsings in a disposal pit specifically marked and set up for this purpose, clear of waterways, desirable vegetation and tree roots. If recycling, replace cap and return clean containers to recycler or designated collection point. If not recycling, break, crush or puncture and bury empty containers in a local authority landfill. If no landfill is available, bury the containers below 500mm in a disposal pit. Empty containers and product should not be burnt.

SAFETY DIRECTIONS: Repeated exposure may cause allergic disorders. Sensitive workers should use protective clothing. Avoid contact with eyes and skin. Do not inhale spray mist. Wash hands after use.

FIRST AID: If poisoning occurs, contact a Doctor or Poisons Information Centre. Phone 13 1126. If swallowed, do NOT induce vomiting. Give a glass of water.
